VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

School Is Back In Session

Dear Virgin Territory,

Oh my goodness. *18eighteen*'s 2018 Back to School issue is one of the most-stunning magazines of its sort I have ever seen. On nearly every page, there is a plaid-skirted, brace-faced schoolgirl revealing her charms. Simply a breathtaking compilation of young beauty by The Score Group team.

A sign of a winning team is one that consistently strives to improve itself, refusing to rest on its laurels. This Back to School issue has me wondering how the Score Group can possibly outdo its next issue, but in seeing what they can do, I have full confidence that they will—and I just can't wait to see what's coming next from them!—R.S., Kailua, Hawaii

Dear R.S.,

We're glad you liked the issue, and thank you for your kind words!

Someone Help This Guy Out

Dear Virgin Territory,

I read the letter of the 18-year-old girl who wants to fuck her step-dad (Oct. '18). Interesting! I wish there were an 18-year-old girl who wanted to fuck me! The close view of Anastasia's pussy on page 48 was nice. I doubt that I will ever get to see a real live pussy. Let alone touch, lick or stick my dick in one. I wish I knew how to be more confident so that I could lose my V-card before I die. I'm 58 now.

The only girl I liked in the Oct. '18 issue (besides Anastasia) is Valery (pg. 36). Wish we could have had a better view of her pussy though. I need to find a girl like Tori (story on page 26) who would be willing to

Valery's pussy, up-close and personal.

tutor me! Also, you still need to put Tiffany's "Fountain of Pee" on DVD!—J.H., Aberdeen, South Dakota

Dear J.H.,

Here's a shot of Valery's pussy. And if you are referring to Tiffany Watson, you can see her pee scene in *Lil' Pissers*.

In A Class Of Her Own

Dear Virgin Territory,

Sabina is a total 10. What a beautiful girl. She is the perfect *18eighteen* model. Let her be the example of what kind of girls should be featured in your magazine. Although I don't

know that many other girls would be able to match her beauty. Unlike many of your other readers, I hope that Sabina does not do hardcore. I don't want any balls or man-ass in the way of me enjoying her sexy body and gorgeous face. I would be perfectly content to watch her play with herself by rubbing her perky tits and fingering her cute, little pussy. Her tight butthole would look nice with a toy inside of it as well. If I watch her fuck anyone, I would want it to be me!

I love Sabina so much I think I would get jealous if I saw her with another guy. I have even thought about what I'd do if you run her in a hardcore pictorial. On one hand, I would want to see more of her beauty. On the other hand, I get turned off with another guy in the way. But who am I kidding? I'll take Sabina however I can get her. It is just my preference in general to see girls solo. Thank you for introducing me to this beauty.—F.L., Oklahoma City, Oklahoma

Is Sabina too hot for hardcore? One reader prefers her solo.

Dear F.L.,
Sabina only shot solo for us. You can watch a video of her masturbating online at 18eighteen.com.

Back To School Does It Again

Dear Virgin Territory,

I got the Oct. '18 issue of *18eighteen* today and I love it. The bubble in the centerfold page is blue. I love blue. It's one of my favorite colors. The cover looks good. From the off I feel like I am a teacher at a girls-only school and I have to try and teach the horny girls on the cover but they would rather flash their panties and tits at me. Two girls that got me going are Mary and Valery. Please tell me they both do hardcore soon.

Anastasia and Alex I have seen before and I like them too, along with Sabina acting shy. She's new and cute too. I would say that all the girls in Oct. '18 issue are amazing but sadly that's just not true. Only one in the full issue just did not get me hard—Kelsey. I don't know why; her set's flat and dull just like Kelsey. I think it's her facial expression in the big picture on page 79 that also puts me off. She's an *18eighteen* girl I will not remember in five years time anyway.

You have done a fantastic job with the magazine. Colorwise, the cover looks amazing as it always should. But you put a wee bit extra special effort for the Back to School issue. The apple, the chalkboard, the books and pens make it very realistic. I flipped to pages two and three and I love what you did in the contents.

On page 3 the red tartan—is that especially for me—the *18eighteen* daft Scottish guy? I love it. It looks classy. Even the brat chat bits had an over-haul. Please tell the art director they have done a excellent job. Last thing, Anastasia's cum shot picture would have been much better if she had more cum on her face. I am dissatisfied with that cum shot, but thankfully Veronica and Alex's cum shot pictures saved the day. Thank you for another excellent Back to School Oct. '18 *18eighteen* magazine

There is one more thing. Recently, someone close to me passed away and he was a reader of *18eighteen*. We

both liked Emily Harper. Could you include a shot for him? It would mean a lot.—J.M., Falkirk, Scotland

Dear G.,

Unfortunately Mary and Valery don't do hardcore. We usually use tartan designs to represent schoolgirl skirts, but we love the Scottish link as well. And of course we can include a photo of Emily for your dearly departed.

Mary Jogs A Memory

Dear Virgin Territory,

Mary from the Back to School Oct. '18 issue reminds me of my first crush from high school, Rebecca. She was also blonde and wore glasses, and she is very similar in the face to Mary. So much so that I'd believe that Mary was her daughter if it wasn't for the fact that she lives in England.

Rebecca wasn't the kind of girl you'd notice at first glance. But if you took a closer look you'd realize she was a fox under the glasses and stuffy clothes. The same goes for Mary. She seems shy and mousy at the start of her layout, but as the clothes come off, so do her inhibi-

tions. I wanted to see what she was hiding under her clothes, and I was not disappointed. She has nice tits with pretty, pink nipples and a juicy ass. Those blue eyes of hers were not meant to be hidden behind glasses!

I never confessed my feelings to Rebecca, but I spent many nights thinking about her and what I'd do if I got the chance to get in bed with her. And so I did the same thing with Mary, poring over her pictorial while slowly stroking my cock, making sure to enjoy every moment. If I had naked pictures of Rebecca back in high school, I don't think I would have ever left my room! And I would love to stay home and jack to Mary nonstop, but unfortunately I have adult responsibilities to tend to.

Anyway, I just wanted to write in to let you know that Mary took me down memory lane. And could you tell me if we will be seeing anymore of Mary or where I can see more of her?—T, via email

Dear T,

Unfortunately that is the only set we have of Mary.

An Update From Step-Daughter

Dear Virgin Territory,

Hi, 18eighteen. I'm the 18-year-old girl who wrote to you a while ago about having a crush on her stepdad. I wasn't sure if you would print my letter, so I was super surprised and excited that you put my letter in the Oct. '18 issue!

Well, I wanted to give you an update. So after I wrote you that letter I kept being flirty with my step-dad. I would make extra eye contact with him and wear really short-shorts around the house. Whenever he wasn't around, I would check his porn stash to see if a new issue of 18eighteen came in with my letter in it. I had just about given up hope when the Oct. '18 issue finally arrived! I put it back in place and waited a few days to give my step-dad a chance to read it.

He seemed a little more nervous around me, but I don't know if it was just in my head or what. But I couldn't hold out any longer. I had to make a move. So I kind of randomly asked him if he ever read the letters sections in magazines. He looked a little confused, so I was like, "You know, like the ones that you have under a pile of files in your bottom desk drawer?"

At this point I was soooo nervous! I could feel my heart pounding through my chest. He asked me if I'd gone through his things and then fake scolded me about how that was inappropriate and some things are private. Whatever! I told him the October issue looked interesting and asked if he read it yet. What he said next almost made me pass out!

"So it was you." Oh my god! He had read it and got the hint! I got closer to him and we kind of stood there for a second. Then we kissed. I could tell he wanted to hold back but just couldn't, and that made it so much hotter. I had intentionally waited until I knew my mom wasn't going to be around for a while so that we could have some privacy.

We were making out hot and heavy in the hallway and stumbled into my bedroom. I was already so wet before my panties came off. He

went down on me and ate me out so good that I had my first orgasm. He told me that he had wanted this for a long time, too, but he was too scared to do anything about it.

We fucked and it was everything I'd hoped it would be. His dick was so nice and thick. He lasted a whole hour! In fact, I was the one who had to tap out because I was getting worn out. Before him, I hadn't had that much sex, you know.

So now we have this secret sex affair thing going on. It's so hot when we fuck on their bed. My mom's been wondering why he's been doing the laundry more often. She just thinks he's being nice. If she only knew. As for me, I don't have any secret hopes that he'll leave my mom and be my boyfriend. I like things the way they are.—Anonymous

Joseline Is Just Right

Dear Virgin Territory,

Only six pages for Joseline? Surely this cutie deserves more! Shit, I deserve more! Please put her on more pages next time. She is so my type. I love girls with dark hair and fair skin. Joseline is a little fuckdoll that I could do naughty things to all day. She has a great rack. Contrary to what most people think, a girl doesn't need huge tits to have a nice

rack. A wise man once said that any more than a handful is a waste. And Joseline's tits are perfect, round handfuls that I would love to squeeze and suck on. And how about those big, meaty pussy lips of hers? They're so yummy. I can tell that Joseline has a nice ass. Now we need to see more of it. Please put her in your magazine again, with some nice ass shots and some nice hardcore!—C.L., La Junta, Colorado

Dear C.L.,

We hope you enjoy the picture of Joseline's booty on page 7.

Kay's Full Puffers

Dear Virgin Territory,

I love teen titties, and lately my favorite teen titter has been Kay. I hope to see more her soon. She's been my favorite for the past couple of months, which is a while for me. I tend to switch favorites a lot. Megan Salinas, Mila and Raven Redmond have also been some of my favorites. Of the girls I named, Kay is not the bustiest, but she has one of my favorite combinations—big tits with puffy nipples. I don't see that too often. Usually flat-chested and small-breasted girls have puffies, but it is a treat whenever a bustier girl has this feature. Kay also has a sweet, girl-

next-door look. And is there anything hotter than the girl-next-door with big tits? I think not. And if we're talking about Kay's rack, we

need to mention how perky her tits are. Those things are so perfect they look like they were made in a lab. Will we be seeing anymore of Kay?—G.H., Philadelphia, Pennsylvania

Dear G.H.,

We don't have any more sets of Kay, but you can see her in the Naughty Neighbors Jan. '18 issue.

ELIS: *Fresh* *& Wet*

Elis knows you like her old uniform.

She just graduated from high school, and as much as she hated wearing her uniform, something told her to keep it. "It was the way guys looked at me when I wore it," she said. "Like they wanted to put their hands up my skirt and feel my wet pussy."

Have you ever let a guy touch you under your skirt?

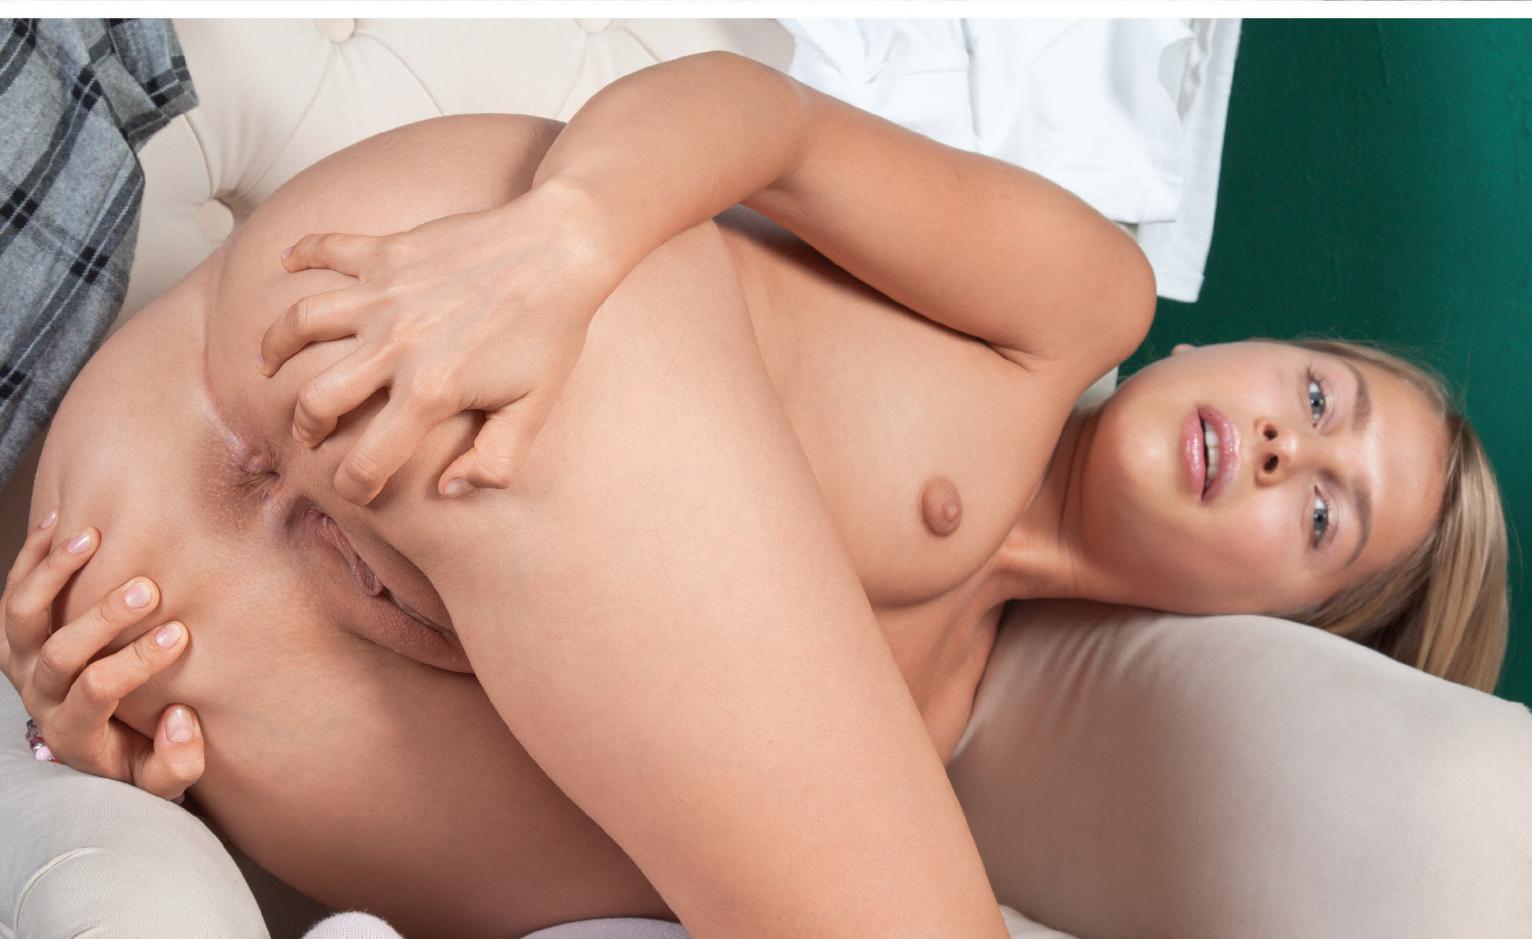

"Just my boyfriend. He would sit next to me in class and run his hand up my thigh until he got to my panties. He'd rub my pussy on the outside until I soaked my panties. Then he would go inside my panties and finger me. It was like a game trying not to moan as I came in class. Sometimes the whole room smelled like my pussy."

No one noticed you cumming?

"I don't think so. If they did, the rumor definitely would have gotten around school and I never heard anything. We were careful and sat in the back of the class where no one could really see us. Although a few times people made a comment about the smell, but they never guessed it was me."

What do you do when all your friends are more experienced than you? When you obsess over something so outrageous and taboo that you have to find a way to make up that ground? Like a star athlete who's fallen behind, do you give up, or do you do whatever it takes to...

By Joe Monks

"Wait—you let him stick his finger where?" Kim asked, her mouth hanging open. Nan grinned wickedly. "In...my...ass."

That brought on a flurry of questions. I stayed quiet, though. It wasn't that I didn't have any, I just figured everyone had more experience than I did, so they'd probably get asked soon enough.

"How deep?" Margaret asked. "Just, like, a knuckle, or did he stick his whole finger up there?"

"Well," Nan told her, like it should be obvious. "He started with just the tip. But since I didn't tell him to stop? He kept going."

What was obvious now was that Margaret didn't know but wanted to.

"But his hands are huge!" Stacey blurted out.

"You can say that again," Nan nodded and giggled.

Now, I really had questions. Even

though there were only five of us at the table, it felt like I was twentieth in line. Nan was getting grilled like it was an episode of *CSI: Teen Sex Unit*. I just listened, legs crossed, my pussy getting squicky as the outrageous Q&A continued. Could anyone hear us, I wondered, looking around. Heck, half the school was on lunch, but so far, it looked like Nan's not-so-secret secret was safe.

At least, for another ten minutes. After lunch ended Gina would be telling everyone how Nannette had let her new guy fingerfuck her butthole.

Sure, Nan was the class slut, but she was still my friend. Rail thin and stacked, it was no surprise she got hit on by tons of guys, including older ones. At the moment, she was going out with a guy from Central. Two months ago, she'd been dating a college guy from up North. Being a 32D and having hair down to your hip-

huggers tended to get you noticed. So did those full lips of hers. Shit, if I had a dick, I'd want Nan to suck it, too. I bet those lips tasted like iced tea right now. Sweet and...a little sticky. Hmnnn. Entirely possible I was paying Nan's lips and tits a little too much attention. I heard something that drew me back to the steamy interrogation.

"Whoa—you can't be serious. He...he fucking tongued it?"

"You say it like you've never had a rimjob," Nan shot back, silencing Gina. Those two weren't exactly close. They'd been good friends once, but the summer before, Gina'd lost a bet over who'd lose their virginity first. Even though Gina had turned 18 three months earlier, Nan got her cherry popped the night she turned 18. Ever since? Gina had been jealous.

Rimjob? But, I thought Nan was talking about what her boyfriend

had been doing. I'd missed something. Probably 'cause I'd only started dating a few months ago. Of course, I'd been the last of us to give it up, despite Nan's tip sessions, but at least it had happened. I'd been starting to lose hope. A cups, petite everywhere...yeah, I'd been destined to be the last virgin standing.

"Wow. Rimmed," Margaret said, shaking her head. "That's so wild!"

I nodded, playing along like I knew what the hell they were talking about. Rimming? Was that sucking the fleshy ring thing around a guy's dickhead before you got to the shaft? Wouldn't it still be a blowjob, then, I wondered, seeing as you couldn't blow a guy without covering that ground. No time to think about it, though. More shock around the table.

"He, he ass fucked you, too?" Paula said, a little loud even for Nan. Paula brought it down a notch. "That's it! Everything! I want to hear every dirty detail!"

And, as she had when she'd sucked Dave Bates off and let him cum on her face, Nan delivered. Every raunchy bit. How Michael had initiated the ass play, getting her off twice, cock stretching her pussy, middle finger buried in her back door. How she'd expected his cum splattered across her back when he pulled out, but no. He'd left her down on all fours, waiting for a cum bath. Instead, he'd parted her cheeks and done things to her that left my head spinning and my panties dripping.

The bell rang. Nan got up, the four of us still gawking at her. God, did that top show off mega cleavage. My guess was she'd grabbed it from her sister's closet. Denise was two years younger and hadn't started filling out yet. I couldn't blame her, though. If I had boobs like Nan's? I'd be buying shirts a size or three too small, too.

"Can you believe it?" Margaret asked as we headed to English class. I nodded, veering off to the bathroom.

"Meet you there," I said, rushing into a stall and hoping there was toilet paper. I didn't need to go, but damn! Did I need to dry my bloomers! And...well, maybe something else.

I locked the door, unfastened my pants and pulled them down. The second bell rang. It got real quiet.

"What's being late a couple of

minutes?" I whispered to myself, TP folded in the crotch of my undies, thumb working my swollen clit. I held my breath. The ass-fucking thing really had me going. I came so violently it rattled the stall.

Okay, maybe more than a few minutes late....

I woke my tablet the second I got home. I didn't have a lot of time; the prom committee meeting had gone late and I'd only gotten off the school bus at five. Mom was working 'til nine, and Jeff was coming over at six. I hustled upstairs, wanting to do a SEARCH or two before hopping in the shower. And boy, did I need it. My thighs were sticky and my panties reeked of twat juice. I couldn't wait to get into shorts and one of my old, stretched-out tees. Clothes Jeff could get off me in a hurry, which I couldn't wait for him to do. Two quickie climaxes in the bathroom at school was nowhere near enough to take the edge off. I needed to get fucked, bad. I couldn't wait to have Jeff go down on me, then spread my legs for him. I was totally craving his dick.

First things first. I typed: RIMJOB and started scrolling results. Ooh-some with pics! Pics of...of...

Whoa! Thank goodness I hadn't said anything at the table! That was what a rimjob was? A guy using his mouth down there? I clicked through to a site with a 90-second video.

Oh...my...god! I was going to need fresh panties just to get to the shower! REPLAY flashed on screen. Hell yeah! I couldn't take my eyes off the screen. I reached into my top dresser drawer and pulled out my mini-vibe. I had never even considered using it anywhere but my pussy, but, but it wasn't that big. A little thicker than my finger. And, it had speeds. High? High could turn me to mush in a matter of seconds. I hit REPLAY again.

My phone beeped. No, no way! Shit! Where had the time gone? It was already a quarter to six!

I ran to the bathroom carrying only my bloomers. I hate cold water, but hopped in before it had a chance to get warm. My nips swelled up, which didn't make things any easier in there. Soaping up my boobs made me dizzy. I started squeezing.

No! Jeff would be here before I even got dry. Not that my pussy was likely to be, but still. I didn't want to waste anything on non-Jeff efforts. I rinsed off as fast as I could and concentrated. Jeff's dick, my mouth. Jeff's mouth, my muff. Jeff's dick, ooohhh...deep. Sooo deep...

I was hopping on one foot, pulling on my shorts when he knocked. The

shirt I put on had a hole, but I didn't care. Every second between now and when Mom got home without him eating, fingering or fucking me was a

wasted one.

I opened the door and pulled him inside, planting one on him right there. His hands immediately found my ass, grinding his bulge into me.

"Hey there. I missed you, too!" he said when we broke the liplock. I was already huffing.

"I am so horny," I confessed. "Mom gets off at nine. I wanna get off a lot before then. Think you can handle that?"

I cupped his junk. Let him spend a second looking down my top. I hadn't bothered with a bra.

"I'm down for that" he said.

We ran upstairs, and I turned around and peeled off my shirt,

backwalking topless toward my room. I led Jeff the rest of the way, his hands fondling my boobs.

Jeff had never seen me like this before. The first time he'd made me cum? Maybe a little. The night he asked me if he could shoot in my mouth? Yeah, I'd gotten a little hyper. I'd only blown him twice, and was too scared to swallow, so finished him off with one hand around his shaft and the other covering his tip. So, chugging his hot load that first time? Yeah, I was a little crazy. Even so, it was nothing compared to how I was now.

We flopped onto my bed, my hand stroking his prick, which was already hard. Good, I thought. I wasn't sure I could wait much longer.

Jeff practically shredded my shorts, ripping them down with my

panties in one shot. I lay there, buck naked, his full weight on top of me.

He sucked my titties first, working me up so much that I came a little just from that. His knee between my thighs was driving me up the wall.

He went down on me, like I'd been fantasizing about all day. I lasted less licks than a Tootsie Pop, flooding his mouth and pulling his hair. I hoped the cry I let loose didn't have the neighbors dialing 9-1-1!

"I need you inside me," I pleaded. "Right now! I wanna feel your dick!"

Jeff's boner was bobbing up and down, as hard as I'd ever seen it. He started to part my thighs, but I rolled

KIM: Lil' Puffy

Kim has no problem showing her pussy.

She was used to seeing naked girls in the locker room at her all-girl private school. "We all pretty much looked the same down there, so when a guy first went down on me I was confident. What I was nervous about was my chest."

Why were you nervous about your chest?

"Because my nipples were so different from all the other girls'. I figured that my pussy was normal because it looked like everyone else's. But no other girls had nipples that were as puffy as mine. I was worried that if a guy saw them he would think they were weird and he'd be turned off."

No way, Kim! Puffy nipples are the best!

"More guys have been telling me that lately so it makes me feel better. But I'm still getting used to the idea and can be a little shy about showing my chest. One guy recently massaged my boobs and licked my nipples for like 30 minutes because he liked my puffies so much, so that was reassuring."

April: ***Butt Love***

April is the trailblazer in her group of friends.

She's a wild one who does what she wants, when she wants. "I was the first one of my friends to have sex," she said. "At first they were all prude about it, but then after I fucked they all started fucking. Now I'm doing anal and they all want to try it!"

What do you tell your friends about anal?

"That it's fun, it feels good and they should just do it! I was scared the first time I tried it, but once I felt how amazing it was I realized there was nothing to be scared of. You just need to be prepared and with someone who knows what they're doing. The main advice I give them is to find a guy who's done it before. Two anal virgins do not mix!"

How do you prepare for anal?

"I've gotten used to masturbating with a buttplug, and if I know I'm going to do anal I'll put my buttplug in beforehand. Then I make sure to get lots of butt-play when the guy and I are fooling around. Rimming is good, even if you aren't going to do anal! And I need to have at least one or two regular orgasms before anal. After that, he eases his cock in and it's smooth sailing from there!"

Paisley: Better Than Homework

Even under her uniform, you can tell Paisley has a tight bod.

Her friend's dad is about to find out just how tight she is. Paisley has been crushing on him for a while, so when they're finally alone she's more than happy to show him her perky titties and snug, little slit.

There's lots of sucking before the fucking.

Paisley gets on all fours and lets her friend's dad tongue her pussy and asshole. She's just as generous with oral, kneeling below him and treating his cock to a slippery BJ. Then Paisley and the lascivious father fuck with her toned teen body on full display. Watch the video online at 18eighteen.com.

A different kind of friend with benefits.

"I was happy when Stacy and I became friends. I was even happier the first time I went to her house and met her dad. Now I had even more reason to get closer to her! I could tell he was into me by the way he looked at me...and by how hard he got when we were alone. I blew him and told him to look at his cock going in and out of my pussy as I rode him. I knew making friends with Stacy would come with lots of perks."

Vienna is a hot, little homewrecker.

Vienna shows up at her friend Audrey's house to study. Audrey isn't there, but Audrey's dad is. Vienna might as well take advantage of her friend bailing on her and have some fun. She moves in on Audrey's dad, straddling him and then making her way down to his cock. Vienna sucks and deep throats him till his rod is swollen and throbbing, just like her pussy. Watch the scene in *After School Slut Club 6*.

This is the best after-school activity.

She gets on top and slides her tight twat over his cock, coating his shaft in creamy girl goo. Like a gentleman, he lets her cum first. And like a gentleman, he then covers her face in jizz. "I never knew I liked older guys, but I kept thinking about my best friend's dad. I couldn't stop wondering if his bulge was as big as it looks through his pants, so I found out for myself."

Are you worried about your friend finding out?

"Not too much. I know he has too much to lose, and I sure as hell won't say anything. If we keep it on the down low, we can keep fucking. And I definitely want to keep screwing him. The sex is so good I don't think I can go back to fucking guys my age. He can make me cum in two minutes and multiple times. With guys my age I'm lucky to get one orgasm in 30 minutes!"

CUM FROM BEHIND

Continued from page 28

over, sticking my ass up in the air.

“Good?” I asked, the tease in my voice impossible to miss. Jeff slapped my butt with his oozing prick and took hold of my hips.

“None better,” he said and fucking pounded his cock into me. I jerked, biting my pillow, letting him give it to me hard. We’d only done it doggie-style a couple of times—like I said, we haven’t been going out long—but it felt to me like this was his favorite position. He really got into it, hammering me from behind.

“You like that?” I asked, urging him on. “Like giving it to me that way?”

“You’re so hot tonight,” he grunted, giving my cheek a pinch. I trembled, letting out a little squeak. I was going to soak the sheets any second. I shut my eyes, waiting for it. Then...then Jeff started slowing down. I thought he was just trying to make it last longer, but...but then he just stopped. He didn’t pull out and cum, he didn’t take a sec to catch his breath and keep going. He just stopped.

“Hmph. So, this is what got you all worked up, huh?”

I looked back over my shoulder, the way he liked me to when he was about to jizz and wanted me to watch him shoot. Only, my heart skipped a beat. My tablet! I had left it on the edge of my dresser, right next to the bed. I hadn’t closed the screen! It was just in PAUSE mode.

“Wait, no—” I said, but too late. Jeff hit PLAY, eyes going wide. That ninety seconds was the longest minute and a half of my entire life. Jeff’s cock twitched inside me. The look he gave me when he pushed the tablet away was enough to make me shudder.

“So...interested?”

I bit my lip. Gave a small nod. Couldn’t find any words.

The fucking continued, which was a relief. I hadn’t lost all my momentum, and my pussy was still dripping. When his fingertip brushed across my butthole, though, my whole body reacted. It felt like the bed was shifting underneath me.

I pressed my face into the pillow, not sure what to expect. I heard Jeff spit, felt a drop or two hit my ass cheeks. Then his finger—which one I have no clue—probed my back door.

And, I mean probed it thoroughly.

It was impossible to ignore his dick in my gash, but him fingering my ass was way beyond intense. I creamed again, slamming my thighs together, hanging onto the bedpost to keep me from falling over. That only tightened my twat-grip on Jeff's hard-on, though, slowing down his pace while I fought to breathe. Nan-Nan hadn't been lying. Not about any of it! I screamed into my pillow like it was a horror movie.

Two cums, five cums, I didn't know anymore. I just knew when Jeff pulled out, he was going to have to blow his load on my face, because I couldn't pull my shit together in time to suck it out of him. Probably for the best, though, because I was just about having a seizure. Finally, though, he was ready. He thrust into me a few more times, so good it brought tears to my eyes. When he pulled out, I thought, this was it. He had to be ready.

How wrong could I be? Pretty damned wrong. I was about to melt into the mattress, but Jeff still had a finger up my butt. Instead of taking it out, though, he, he kissed the spot right above it. Like-right there!

Between my butt cheeks!

His tongue circling my pucker sent shock waves through me. Holding the headboard didn't matter. It was banging against the wall like we were having an earthquake. I was moaning stuff and babbling. I could barely understand what I was saying. But I remember telling him, "Lick it, babe, please! Eat my ass!"

Rimjob: The act of using your

mouth on a partner's asshole for sexual pleasure.

Boy, was I glad I'd looked that up now! Jeff was tonguing my starfish like he knew what he was doing. A little surprising, seeing as he hadn't dated much, either, but I didn't spend time thinking about it. If he was secretly into ass-play like I was? That was plenty good enough!

Candy's bush is not for the faint of heart. It's full-blown!

Pubic hair can come in many styles, from landing strips to full Vs and, in Candy's case, completely au naturel. "I got sick of shaving and stopped one day," she told us via email. "My bush kept growing and growing. There were days I wondered if it would ever stop growing, but I think I'm at my maintenance point now. The more it grew, the more I liked it."

What do you like about having such a wild bush?

"It sets me apart from the rest. Maybe older ladies have big bushes 'cause they grew up when no one really shaved their pubes. But barely anyone my age has a bush like mine. I know not everyone is going to be into my massive bush, but I'll tell you, the guys who are into it are *really* into it. They'll bury their face in my bush and eat my pussy for an hour. That's totally fine by me! They love how my bush traps my scent."

What kind of sex do you like to have, Kristy?

"I like it rough and hard. People think bigger girls like to be pounded 'cause they have more cushion for the pushing, but that's not true. I always have to tell guys to fuck me harder. They think they're gonna break me, but trust me, I can handle it!"

CUM FROM BEHIND

Continued from page 63

"Jeff? Baby?"

"What? You all right? Still digging it?" he asked, my rosebud tingling from his talented tonguework.

"Oh, fuck it. I want you to do me in the ass!"

"Are, are you sure?" he asked, even though he was already changing positions. I nodded, giving him my best pouty face.

"You know I wanna give it to you, right? You already got the others."

"The others?"

"Remember? I gave you my first blowjob. Then you got my cherry. If you get my ass cherry, you'll have had all my first times."

Jeff took a deep breath. We both wanted this, but the fact that I was giving up my last untouched territory to him? His cock was turning purple.

I was still plenty lubed from Jeff's tongue-bath, but, it didn't exactly make putting it in me easy. I thought back to the night he'd fucked me the first time, how sloppy my slit was by the time he nudged his tip between my folds. Yeah, I was tight, but him trying to stick it in my ass? That took some effort. I kept rocking, trying to relax, but how the heck was I supposed to relax with the head of Jeff's big dick pushing that tiny ring of muscle wider, huh? I could've been on Xanax and still more than a little snuggly-snug back there!

"Ungh."

Ohmygod! Jeff got about two inches up my ass and I thought I was going to lock up. He felt like a flagpole entering me! My fingernails dug into my palms, wondering if I could even take him up there. I licked my lips. They'd gone dry, like my throat. Jeff gave me a little more. Fuck, it felt so good! A little more. He spit in his palm, lubed up again. Then. Then all hell broke loose.

"Oh yeah!" he cried, clenching his muscles and pumping my ass full of cock. I howled, squealing like I'd never done anything before—any kind of sex. Jeff pulled back, then rammed it in again, and I banged my head into the headboard, it was so awesome.

I clutched the bedpost, pushing back against Jeff as he thrust into me, filling me with that huge prick of his. It took a few minutes, but at last, he

crammed it in balls-deep, his nuts slapping against my cunt. Jeff's pace picked up, now that my muscles had gotten accustomed to his size. Girl cream ran down my thighs.

"I, I'm almost there," he warned me. "I'll pull out and—" "Don't you dare!" I shouted, throwing my ass back into his thighs. "That's what I want! Do it! Cum in my ass, Jeff!"

He couldn't have pulled out if he wanted to. I clamped down on that hard cock and rode it out, waiting, waiting, until the hot gush erupted deep in my butt. I mean, deeeeeep.

No sucking. No swallowing. But no disappointment, either. I loved the taste of Jeff's jizz, but having him unload in my ass just might have been the best thing I had ever felt. I lay there afterward, cum leaking out of my ass, the feel of it pure ecstasy.

Nan wasn't in school Thursday and seemed kind of down on Friday, so I stopped by before running home. Mom had gotten called in to do a double. Jeff would be at my place at six, and we'd have until two a.m. to filthy up my sheets.

When I asked what was up, she told me she and Michael broke up.

"Caught him cheating," she said. "Cheating? On you?!"

She just shrugged. My mind raced. I hadn't seen her look this down in a long time.

"Hey, grab your bag. Come on over and hang with us tonight," I invited.

"Are you kidding? Your mom won't be home for hours! You guys are in the clear!"

"So? Come on, let's go."

"I can't," she protested. "I've got to take a shower. Don't worry, you guys have fun."

"Shower at my place," I said, grabbing her purse.

"There's no time! You only have one bathroom, you won't even get in by the time Jeff gets over!"

"Then...I guess we'll just have to shower together," I said, getting close. Real close.

"You want to shower with me?" she asked, a wicked smile emerging.

"There's a couple of things I wanna do, actually," I said. "Some after Jeff gets there."

Nan went off to grab some clothes. Jeff was sure gonna be happy. I wasn't out of firsts after all!
